Hi Jamey,

I'm forwarding a message about updating the facility contact for the Asplund WPCF in Anchorage (NPDES Permit AK0022551). I looked at a permit status spreadsheet that listed you as the permitting contact, but let me know if I should share this with anyone else. I inspected the facility in 2014.

Thanks,

Matt

Hi Earl,

I am contacting you because the Anchorage Water & Wastewater Utilities General Manager is retiring. I would like to know what needs to be done to update the contacts for the John M. Asplund Water Pollution Control Facility permit No: AK-00255-1 and the address and contact to send the information to.

Thank you for your time.
